# Prayer Requests

Please offer this to God as a prayer as you read:

- ◆ Heavenly Father, thank you for loving me and sending your Son, Jesus, as my Saviour.
- ◆ Help me to trust you, Holy Spirit, to guide me when you are nudging me to action.
- ◆ We praise you, Lord, for your beautiful fall creation & for the abundant harvest.
- ◆ We praise you for the miracle of the coworker who is recovering her sight.
- ◆ For those with medical issues, heal them, Lord! We pray that you take away any fears they may have & that they will trust you. Grant them peace & give them strength.
  - We pray for Val, that her surgery goes well & that she recovers quickly.
  - We pray for Joanne & Monica's brother Floyd, who's been diagnosed with cancer.
  - We pray for Rob who's having heart issues.
  - We pray for baby Barnabas, that his heart will heal as he grows.
  - We pray for Danielle as she recovers from her liver transplant.
  - We pray for Rachel, that you will take away her pain & heal her. Give the family strength & encouragement.
- ◆ Jesus, for all those who are grieving the loss of someone they love dearly, we pray for comfort & peace. We pray for Alfred's sister who is still grieving the loss of her daughter.
- ◆ We pray for so many families who need support. Bless those who are able to help them.
- ◆ For anyone finding themselves in new stages in their lives, please be close to them & guide them. Help Mike & Geralyn as they are still unsure what you have for them next.
- ◆ Lord, we ask that you be with our pastors & council members as they plan for the fall so that you may be honoured in all we do. We pray for others to join our church leaders on council as many of the current council's terms of office are coming to an end.
- ◆ We thank you for all the children that you welcome to come to you. We pray for them and rejoice in their enthusiasm for life in our midst. Give a special blessing to their parents.
- ◆ We pray for all those who are dealing with mental illness, anxiety or depression, that you will light the way out of the darkness that they are in. Guide them to your light and life.
- ◆ For those who are lost without you, we pray that they will come to know you. Draw them to you, Lord, as you are the only one who can.
- ◆ For those taking care of elderly people, give them patience & wisdom. We pray for joy and peace for all those coming close to the end of their lives in whatever their circumstances.
- ◆ For firefighters and first responders, please keep them safe & help them cope with trauma.
