Discipleship in 1 John.

WEEK 6: 1 John 2:18-21 DISCIPLESHIP THEME – Recognizing the Difference Christ Makes!

This week let's focus on the fact that Jesus has given us his Spirit! In these verses he encourages the Church that they ARE remaining true, that they haven't left to follow that which is anti-christ in this world. Let us be encouraged that we too are reaching out for Jesus still, even after 2000 years. We say yes! We believe that Jesus is the still the way for us. We say yes! Jesus still inspires us to love the right things in this world! We say yes! Jesus still gives me hope and light even amidst many dark realities. Let us be encouraged this week!

Slowly read the daily verses below. Have these questions in the front of your mind as you consider how God has called us into his marvelous light! Underline any words or phrases that stand out to you.

Guiding Questions:

1. What does God give you that you can get nowhere else?
2. Where do you find encouragement to continue to seek God? What ways does God use to draw you back to himself?
3. Is there anyone you know that might need encouragement? What could you do to bring them this?
4. How might Jesus be praying for you today?
